

Zip-ID™

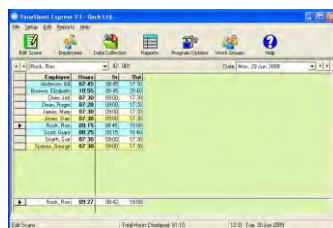

Biometric / Contactless Card Time & Attendance Terminal

Wages are usually the largest portion of your business costs and therefore accurate employee time records are fundamental to a strong bottom line. The Zip-ID™ terminal combined with ASP's Australian built Time and Attendance program, TimeSheet Express™, provides the flexibility and functionality to ensure accurate employee payroll. Finger or thumb access as well as contactless card and keypad provides your employees an easy and simple to use system.

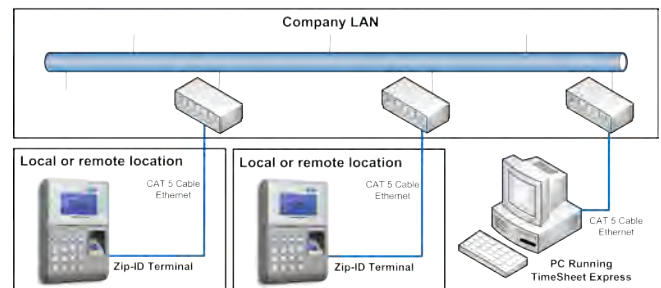

Automatically export your data to your payroll program with ASP's intuitive export modules and you will have a fully automated, efficient and accurate time and attendance and payroll solution.

ASP has been supplying workforce management solutions to Australian organisations for more than 15 years and understands the need to provide robust and stable solutions.
