SM-T300i

Dust Protected & Splash Proof Three Inch, iOS Compatible Bluetooth Portable Printer

The Star SM-T300i is a revolutionary ruggedized portable Bluetooth printer that is compatible with all operating systems (iOS, Android™, Windows®) including devices such as the Apple iPad®, iPhone® and iPod touch®. Compatibility with iOS is a result of Apple Inc.'s MFi certification of the SM-T300i portable printer.

In addition to its ability to pair with iOS, Android and other popular mobile platforms, the SM-T300i has easy drop in & print paper loading, a reliable and quick print speed of 75mm per second, an intuitive LCD display and optional magnetic stripe reader.

Dust protected and splash-proof resistant (IP54 Certified), the SM-T300i is rugged enough for outside field workers requiring handhelds to seamlessly print from a mobile device to a durable portable printer.

The SM-T300i also allows for restaurant servers and clerks working in demanding retail and hospitality environments to print standard three inch format receipts wherever they need to. Its rugged and splash proof design combined with standard three inch receipt printing and a long battery life make the SM-T300i a welcomed option.

- **3 Inch Ultra Durable Portable Printer**
- **Dust Protected, Splash Proof (IP54 Certified)**
- **High Speed: 75mm/second**
- **Bluetooth (2.1: SPP and iOS) / Serial Connections**
